

Bennett C. Russell **MORNING** Car Procedures

FLORIDA LAW

As of July 01, 2019, you are **PROHIBITED** from using a wireless communication device in a hand-held manner in school crossings, school zones and work zones.

BRE IS HANDS-FREE!

CAUTION: SLOW TRAFFIC AT ALL TIMES!

Parents **MAY NOT** drop off their children in any area except the car rider line. Due to heavy traffic in the front of the school, parents are welcome to park in a parking space in the parking lot. They may escort their child **ALL THE WAY TO THE FRONT DOOR** to make sure they arrive safely. Parents **MAY NOT PARK OUTSIDE THE PARKING LOT AREA** to drop off their child, and **CHILDREN MAY NOT WALK ALONE FROM THE PARKING LOT** to the school entrance.

- Follow the same traffic pattern as you would for afternoon pick up (morning drop off map printed on back). **Do not** enter Excalibur Way from King Arthur's Way. The only difference for the morning routine is we will form **only one line** to have students unload. All students **must exit** from the **right side** of the vehicle (nearest the building). This is to maintain safety of all students. Due to limited staff at morning duty and the large number of car riders, please do not wait for staff to open car doors. Have your child open the vehicle door and exit at the unloading area indicated on the attached map.

Please have your child ready by:

- Having their backpack and lunch box (if they have one) in their hands.
- Due to limited staff at morning duty and the large number of car riders, please do not wait for staff to open car doors. Have your child open the vehicle door and exit at the unloading area indicated on the attached map.
- Being prepared to safely exit from the **right side of the vehicle.**
- Waiting for a signal from staff before pulling away from the unloading area.

NOTICE TO PRE-KINDERGARTEN PARENTS:

- Follow the flow of traffic through the parking lot.
- Once you are directly in front of the school veer to the left around the drop off line.
- Stop at the second cafeteria door
- BRE staff will accept your child from your car.

We appreciate your help in making our morning drop off routine safe and efficient for everyone!
