Purpose

The purpose of this meeting is to provide Russell Elementary stakeholders with the current school - student achievement data. This meeting will be held on **July 17, 2019 at 10:00 am** in the **Russell Elementary Media Classroom**.

Review of School Data

The Russell Elementary Stakeholders will review school - student data. Through the review and discussion of the data, the stakeholders will set goals to be outlined in the 2019-2020 School Improvement Plan.

Timeline

School Advisory Council Nomination Notification to Stakeholders: August 12-23, 2019

School Advisory Council Voting Period: August 23-September 3, 2019

School Advisory Council approval of School Improvement Plan: September 6, 2019 *(first meeting)*

School Advisory Council Roster Due to the district: September 13, 2019

Submission of the School Improvement Plan to the district: September 13, 2019

Approval of the School Improvement Plan by the School Board: October 10, 2019

Respond

Confirm attendance by email to: Lebere@santarosa.k12.fl.us

Improving Our School BRE SAC Planning Workshop Minutes

July 17, 2019

- I. Review edit & submit for approval:
 - a. Mission
 - b. Vision
 - c. Core Values

Suggestion: Trish Johnson – “safe, nurturing environment... mental health”
(add to vision statement)

- II. Review analyze & discuss school data:

a. State data – <u>ELA</u>	<u>Math</u>	<u>Science</u>
1. Learning goals	Learning gains	
2. Lowest quartile	lowest quartile	

- Focus on one area? (Tiffany Climer) S. Godwin-We did focus on ELA when compared to math.
- 2018-2019 Area of Concern-Math lowest quartile dropped from 52% 2017-2018 to 46 %
- Science is consistent – Contribute to STEAM and district’s push. Also, Future Ready Learning Lab has helped.
- 62% is an “A” rating, we are at “61%”
- Data packet – Comparing DEA & STAR; STAR correlation to FSA-“Spot on” looking at fourth grade
- Teacher (Shana Carlson) shared how admin offers opportunity to visit other schools to observe teaching techniques.
- Suggestion to help improve math scores and preparing third graders learn multiplication;
 - Patricia Norwood-reward students for learning facts
 - Tiffany Climer-focus on ways of applying facts learned. Don’t just use timed test. “Doing the math-learning the process – not just timed test. Must become second nature and learn the facts.

- Shana Carlson-Math Coach / teacher teaching students strategies to learn facts.
- Attendance data –
- Discipline data – discipline increased for 2018-2019 school year. Implementing CHAMPs behavior management program, PLC to assist classroom behavior management.
 - 2017-2018 total referrals **265**
 - 2018-2019 total referrals **381**

Question:

Patricia Norwood:

How do students report bullying? “Tattle tail”

Suzi Godwin:

Define what is “reporting”, using specific language school-wide.

Kristy Burt:

Conversation with students- “is this a little problem or a big problem”.

- Comprehensive needs assessment-
 - District document
 - Post on website as a draft to receive feedback from all stakeholders
 - Call out for parents to give feedback
- PAC representatives
 - Need two parent volunteers / representatives
- Title I requirement-
 - Samples attached
 - Georgia school district packet
 - BCR Elementary current Parent / School Compact
- Revisit revise compact-
 - Question from Tiffany Climer- How are expectations shared to students:
 - Arrant-Guidance Counselor shares on ITV with mini-lesson, teachers review throughout classroom.

- Tiffany Climer-PBIS Boosters- teach skits, very intentional in delivery, each teacher a behavior matrix, common language school wide.
- Suggestion:
 - Needs new face
 - 1 page document
- Must vote on Parent / School Compact at next Sept. 6, 2019 meeting to share at Open House / Title I Annual meeting.
 - Like W. H. Rhodes format (Trish Johnson)
 - Parent Column:
 - Elementary-as a school will portray family in a positive manner
 - Suggestion-add "show respect for each student & family..."
